Re: The Housatonic River Floodplain Forest Restoration Project

To Whom It May Concern:

I am writing to express Berkshire Grown's support of the Housatonic River Floodplain Forest Restoration Project and its plan to restore and enhance the floodplain forests along the Housatonic River.

I am impressed with the strength and commitment of the organization comprising the partnership; all of them are outstanding and contributing members of the local community. I also wholeheartedly believe in the importance of the project's goals, and I know that with the stakeholders involved that it will be executed with thoughtful precision.

Thank you in advance for giving every consideration to the Housatonic River Floodplain Forest Restoration Project proposal. Please feel free to contact me if I may provide any additional support for their application.

Sincerely,

  
Danielle Mullen  
Executive Director
