*Resolution #30: Release of Funds for MassDEP*

**DATE:** August 21, 2012

As Lead Administrative Trustee for the GE/Housatonic River NRD case, I am requesting a disbursement from the DOI NRDAR Massachusetts Restoration Account (Project # 0251) for the purpose of reimbursing the Commonwealth of Massachusetts restoration planning and oversight costs. The Commonwealth of Massachusetts seeks reimbursement for GE-Housatonic restoration activities for the time period from July 1, 2011 through June 30, 2012 as specified in Resolution # 30 and discussed below.

**TOTAL = \$13,819.51**

Commonwealth costs for fiscal years 2010 and 2011 were comprised of salary (including benefits), travel, fringe and indirect costs for three Commonwealth employees. The current request seeks reimbursement for all Commonwealth expenses for these fiscal years as summarized in the following table.

FY2012 (July 1 – June 30)	\$13,819.51

included in the total cost shown on the table. Fringe benefit rates are calculated annually by the Massachusetts Office of the Comptroller and approved by the U.S. Department of Health and Human Services. Indirect costs are the sum of department overhead costs, as determined in the Indirect Cost Rate Calculation prepared by the Comptroller; a separate indirect cost rate is calculated for each department. The assessment of fringe benefits on Federal funds is mandated by section 6B of Chapter 29 of the Massachusetts General Laws. Section 5D of the same law extends that assessment to all other funds of the Commonwealth except the General Fund. Indirect costs are assessed against all federal, non-budgeted special revenue, and trust fund accounts unless an explicit exemption applies.

## Travel

Travel costs are actual costs incurred by Commonwealth representatives for attendance at meetings of the Trustee Council, its committees, or related Trustee Council activities, such as site visits and inspections.
